

NOTE TO VISITORS AND READERS

This website and the articles within it, along with the protocols, procedures and studies included, contain the opinions and ideas of their various authors. It is presented with the understanding that neither the authors of the website nor of the articles or studies, protocols, and procedures included or the publisher of the website are engaged in rendering medical, health or other professional advice or services. If the visitor or reader requires such advice or services, a competent professional should be consulted. The strategies outlined in this website may not be suitable for every individual and are not guaranteed or warranted to produce any particular results. The authors of the articles or studies, protocols and procedures and the website publisher specifically disclaim any responsibility for any liability, loss or risk, personal or otherwise, which is incurred as a consequence, directly or indirectly, of the use and application of any of the contents of this website or its included articles.
